Granville N.S. June 14/89

To the U S Mint-

Your regulations for refining
gold was received I have
about seven ounces of
gold which I wish to have
refined and the money return-
ed for the same it is
a good clean lot as it is
mostly watch cases, if you
can receive so small a
quantity as this I shall be
pleased. I did not underst-
-and in your circular on
what ground packages valued
at less than $100, might be refused
So I have written this precaution
